Dear Mr. Powell:

On January 27, 1994 we received your Notice, serial number U-72269, to conduct mining activities in the Kyune area in T. 11 S., R. ~~9~~¹ E., Section 33. The Notice was accepted by this office on September 1, 1994. Previously, you submitted your Notice, serial number U-69356, to conduct drilling activities in the above area on May 4, 1992. This notice was approved on May 11, 1992.

A recent inspection of the claim area indicates that the proposed drilling and mining activities have been completed (or never undertaken), and the sites have been reclaimed satisfactorily. We are therefore closing the subject casefiles.

If you have any questions, or require additional information, please contact Michael Ford of my staff at (801) 977-4300.

Sincerely,

/s/ Margaret Wyatt
